## **WELCOME**

Welcome to Harrison Central Jr./Sr. High School. As you start the new school year anew, it is our hope this new school year will be successful and enjoyable. This handbook was developed to answer many of the questions you and your parent may have. Please read through it to familiarize yourself of the rules and regulations of Harrison Central Jr./Sr. High School. If you have any questions, please contact the school at 740-942-7700.

We are a school that promotes 21st century skills, which may include the following:

1. Creativity, innovation, critical thinking, problem solving, communication and collaboration.

3. Promoting productivity, accountability, leadership and responsibility.
4. Promoting interdisciplinary, project-based real world learning opportunities.

## **WHO MAKES THE RULES**

Harrison Central Jr./Sr. High School's general code of behavior is determined for the most part by those duly constituted by law to make these rules, namely the Board of Education, the school administration, and faculty.

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) ensures that parents and students have access to and an opportunity to challenge the content of a student's record and that schools will not release information that directly identifies a student to a third party. Under this act, however, Harrison Central Jr./Sr. High School does reserve the right to release directory information for the purpose of conducting school business including honor rolls, sports programs, and yearbooks. Such information may include a student's name address, date of birth, class, weight, height, awards and honors, extracurricular participation, and dates of attendance.

Parents who wish to have such directory information withheld by the school should notify school officials at: (740) 942-7700.

## **PARENTAL INVOLVEMENT IN EDUCATION**

The Board of Education believes that parental involvement is an important part of the educational program. Current research indicates that a home-school partnership and greater involvement on the part of parents in the education of their children generally results in higher achievement scores, improved student behavior, and reduced absenteeism. All parents are encouraged to take an active role in the education of their children. Programs and activities available at Harrison Central Jr./Sr. High School to address this issue include:

1. Parent/Teacher Conference Night
2. Parent/Teacher Communication
3. Interim Progress Reports
4. College Financial Aid Night
5. National Honor Society Induction Ceremony
6. Academic Letter Recognition Ceremony
7. Attendance Letter at 5, 10, and 15 days absence

9. Academic and athletic Booster meetings
10. Participation in building meetings

The school reserves the right to hold parental conferences, guidance conferences, and the right to request schedule changes or psychological examinations.

# SECTION 1: STUDENT ATTENDANCE

---

## MISSING CHILD ACT

Parent (s)/guardian(s) MUST notify the school on the day a student is absent unless previous notification has been given in accordance with school procedure for excused absences. The building administration or a designee is also required to notify a student's parents, custodial parent, guardian, legal custodian or other person responsible for him/her when the student is absent from school. The parent or other responsible person shall be notified by telephone or written notice shall be mailed on the same day that the student is absent. Parents or other responsible persons shall provide the school with their current home and/or work telephone number and home addresses, as well as emergency telephone numbers.

## DEFINITION OF TERMS

**Unexcused Tardiness**—The student reports late to school or class without an acceptable excuse. A student may be excused from Tardy to School one and only one time each semester. This may be by phone excuse or written excuse.

**Unexcused Absence**—The pupil is absent from school while it is in regular session with the knowledge of the parents, but is in violation of the school attendance rules. Any excuse not having a specific reason stated will be classified unexcused. Excuses signed by 18 year old students and not by a parent or guardian, unless living away and are self supporting, will be classified unexcused. Any tests missed during an unexcused absence cannot be made up. A student will be listed as unexcused after meeting the 14 day criteria stated in the attendance policy. Special consideration will be given to doctor's slips.

## LIMIT ON ABSENCES

A student will be allowed to accumulate a number of absences before his/her attendance will be considered irregular and excessive. Following is a detailed explanation of these limits.

Eighteen-week course (Semester) - 9 days and /or 9 class periods

Thirty-Six week course (Year) - 18 days and/or 18 class periods

The absences set forth above are to be used for personal illness, serious personal problems and professional appointments that cannot be scheduled after school.

## EXCESSIVE ABSENCES

Absences that exceed or threaten to exceed the limits stated above will be considered excessive and may result in a student forfeiting class and incentive field trips that would cause additional class absences.

## ADMINISTRATOR'S REPORT TO PARENT/GUARDIAN ON ABSENTEEISM

Upon verification of absences, the following procedure will take place:

- Form letter sent when a student misses five (5) days of school first semester.
- Form letter sent when a student misses ten (10) days of school. Also at this time, the student may be referred to the Juvenile Court's mediation program.
- The building administration will make official contact with the parent or guardian when the student has missed 14 days of school. The student will be sent a letter stating that the said student cannot be out of school without a doctor's slip or days will be deemed unexcused and work missed may not be made up.
- At eighteen (18) days absent, the student, parent or guardian will be notified that a charge has been filed in Juvenile Court on the student and the student can be denied credit for all courses and/or credits earned.

Consideration will be given to doctor related illnesses or injuries. All slips from the doctor's office must include the corresponding dates that the student was absent.

IT IS THE RESPONSIBILITY OF THE PARENT OR GUARDIAN AND THE STUDENT TO PROVIDE AND RETURN ALL DOCTOR SLIP VERIFICATIONS.

## **ATTENDANCE TO SCHOOL AFTER LOSS OF CREDIT**

A student who is denied credit in a course because of excessive absences must continue to attend that class. If the student continues to miss the class, suspension, court action and/or expulsion may be recommended.

## **EXCUSED ABSENCES**

Absence from school for any reason other than those listed below and recommended by the State Department of Education, State of Ohio, is not acceptable and will be unexcused. The teacher and the student should share in the responsibility for completing work missed due to excused absences. Excused absences do count towards a student's state allotted 18 days.

1. Personal illness or illness in the immediate family requiring the student to stay home. It is the responsibility of the parent to make contact with the school.
2. Family going on vacation: This is to be discouraged and must be approved by the building administration one week in advance. Failure to secure this permission will cause the absence to be unexcused. Please schedule all vacations at a time that does not interfere with your son's or daughter's exam schedule.
3. Attending a wedding or graduation ceremony of family or close friend.

## **EXEMPT ABSENCES**

Exempt absences are excused and do not count against the student's 9 and/or 18 total days. The following criteria will be used for exempt absences:

1. Death in the family or a close friend.
2. "Act of God" such as weather or unexpected home calamities.
3. Religious holidays as related to your own faith.
4. Doctor or dentist appointment. (must provide note upon return)
5. Attending an institution of higher learning. This applies only to seniors and they are allowed two days and juniors allowing one day.

## **EXCUSED ABSENCE NOTE**

1. Student's name
2. Date or dates of absence
3. Nature of absence (must meet list 1-8) and description.
4. Parent or guardian's signature

Any student absent under doctor's care should bring the slip to the guidance office when he/she returns to school with the dates and doctor's signature for his/her attendance file. Early dismissals for purposes other than professional appointments will be granted with parental permission and will be recorded as unexcused time out of school. All work missed will not be made up.

## **UNEXCUSED**

It must be clearly understood by students and parents/guardians that students may not make up work or tests and may be given a "zero" for unexcused times or absences. When a student returns to school and no parental or guardian response to the absence has been recorded, the said student will be deemed unexcused.

## **SUSPENSION FROM SCHOOL**

A student who has been suspended from school or from class will have the number of days of suspension charged against the limit of days of absence. All suspended days are unexcused absences. Parents will be notified of the suspension. Suspended students are not to take part in or attend any school activity, game or other function during suspension days.

## MAKE-UP WORK

After an excused absence from class or school, it is the student's responsibility to see the teachers of the classes missed and to arrange for making up class work. Getting assignments which were missed due to an absence from school is the student's responsibility. If you wish to find out what your assignments were before you return to school, you should call one of your classmates and get the information from him/her. You should also arrange to have books that you may need to be brought home by a fellow student who lives nearby. Any test missed by virtue of an excused absence will be made up in the number of days the student was absent and at a time convenient for the teacher. It is the responsibility of the student to initiate time to make up tests. **All make up tests and/or make up work after an excused class absence will be of the same format (objective, essay etc.) and of equal quantity as test and/or class work missed.**

## INCOMPLETES

All incompletes are the responsibility of the student and are to be made up at the convenience of the classroom teacher no later than 10 (ten) days after the end of each 9 (nine) week's grading period except for the last (fourth) nine week's grading period. Any incomplete received for the final grading period of the school year must be made up before or on the teacher's work day at the end of the school year. Failure to make up incomplete course work within these time constraints will result in denial of credit for said course.

## COLLEGE VISITATION

A senior is permitted to make **two** college or technical school visits which will not count as an absence. Juniors are permitted to make **one** college visit per year. Students must provide written and signed college documentation of visit upon return.

## SCHOOL SPONSORED OR SANCTIONED ACTIVITIES

School sponsored or sanctioned activities that have prior administrative approval are exempted from and will not count toward the total absences.

## ATTENDANCE PROCEDURE

1. Attendance will be taken during the homeroom period and a list of absentees will be sent to the office via progress book.
2. Students who have been absent will immediately bring a written excuse to the main office before the homeroom period to avert being tardy to homeroom.
3. The Daily Attendance Sheet will list the absentees and students to be dismissed early from school on that day.
4. Each teacher will keep a record of attendance each period and turn in the names of any student who was absent from class but who's name did not appear on the absence list.
5. A student coming to school tardy must first report to the main office and admit himself/herself by signing the sign in sheet.
6. Any student leaving the building must have the written permission of the building administration. When the student returns he/she must receive an Admit To Class slip from the school office.

## EARLY DISMISSAL FROM SCHOOL PROCEDURE

1. An early dismissal from school will be limited to illness, emergency, or professional appointment. Early dismissals will be treated as other absences. Request for early dismissal must be made before school begins in the morning.
2. Out of school appointments: The Student dismissed from school for a professional appointment (Doctor, Dentist, Orthodontist, Human Services, Court, Eye Doctor or Professional Counseling) will bring a slip back to the building administration upon returning that day or before school the next morning. Failure to do so will deem the student unexcused for time out of school.
3. Emergency - Students who become ill during the day must report to the school nurse for permission to call

the parent or guardian to go home ill. The call must be made by the nurse, secretary or administration. Please do not call your parent from your cell phone to pick you up without permission first.

## **INJURIES/ILLNESS AT SCHOOL**

If a student needs to return home because of an illness the necessary permission will be initiated from the Principal's Office as indicated above in #3. Students who sustain any injury on the school grounds MUST report that injury to the staff member supervising the situation or the building administration. An Accident Form must be filled out by the staff member in charge of the student and sent to the building administration.

---

# SECTION 2: STUDENT CONDUCT

---

## CAMERA USE ON SCHOOL PROPERTY

Harrison Central Jr./Sr. High School and the busses are equipped with a surveillance system. This system may be used to monitor student conduct and to assist in disciplinary action. The system also provides security to our facility, staff and students.

## CHANGING CLASSES

When changing classes stay to the right side of the corridor, move without rushing. There is no time to loiter with only four minutes between classes. Take necessary books with you for the morning classes. Students are permitted to visit their lockers on their way to lunch. By doing this, there is no excuse for a student to be tardy to a class or a study hall after lunch. There is no sitting on hall floors or steps. Benches have been provided for students to use before and after school. Also, there is adequate seating in the cafeteria and the auditorium.

## DRESS CODE

Student dress and appearance are forms of symbolic expression. Although the primary responsibility for dress and appearance lies with the student and his/her parents, the school does require that students' dress and appearance conform to the guidelines listed below in order to be consistent with the above stated philosophy and positive self-imaging of the schools. The District's responsibility in this regard is three-fold:

1. The district must help prepare each student to become confident, responsible and productive citizens.
2. The district must maintain an atmosphere in which students can learn.
3. The district must be concerned for the safety of each student.

The following regulations will be enforced:

1. Clothing should be safe and clean. The student should practice good personal hygiene.
2. Pants may not have holes or be cut, torn, frayed above the knees. They may not drag on the floor and must be worn in the fashion as designed. No writing should appear on the rear of pants, shorts, or skirts.
3. Clothing, patches, insignias, slogans, or buttons which are in poor taste, suggestive, derogatory, provocative, obscene, profane, vulgar, or drug related are not to be worn. Tobacco and/or alcohol slogans are examples of drug-related slogans which are not permitted.
4. No hats, caps, headbands, unnecessary headgear, gloves, or sunglasses are to be worn in the building.
5. Sleeveless garments may be worn at the discretion of the building administrator.
6. Muscle shirts, see-through, sheer, or exposing garments or shirts normally worn as undergarments are not to be worn as outer garments. Halter tops, tube tops, midriff blouses, cutoff or shimmer T-shirts or any other style of garment that exposes the torso are not permitted. No clothing with revealing cuts or slashes are permitted.
7. Appropriate footwear is to be worn at all times.
8. Clothing must be at least mid-thigh in length. Short-shorts, tight shorts, or cut-off shorts are not permitted.
9. Wallet chains, chains or jewelry which may be perceived by the building administrator as a weapon or potential safety factor will not be permitted.
10. Facial piercing provided that it is not deemed excessive or a safety issue by the building principal will be permitted. However, body piercing must not be visible.
11. Objectionable tattoos, determined by the building principal, must be covered at all times.
12. Any other types of clothing, dress apparel, or bodily attraction that may be considered a cause for disruption to the school's educational process by the building administration will not be permitted.
13. School clothing should be appropriate as to time, place and weather.

## **BOOKBAG/HANDBAG POLICY**

Students are permitted to carry book bags to and from school. The only bag permitted to be carried to and from class are the district issued chromebook bags. All other student owned bags are to remain in your lockers during school hours.

## **PLAGIARISM/CHEATING/APPEARANCE OF CHEATING**

Plagiarism/Cheating/Appearance of Cheating is defined as taking, giving, or using ideas, writings or information from another source and offering them as your own. A student should act in such a way that a teacher would not suspect him or her of cheating. Violation of this policy will result in disciplinary action.

Plagiarism/Cheating involve any of the following:

- Using another person's work as your own.
- Copying, faxing, duplicating assignments that will be turned in as an "original"
- Exchanging assignments by print-out, disk transfer or modem, and then submitting as "original".
- Writing formulas, codes, key words, etc. on your person or objects for use in an assessment.
- Using unauthorized reference sheets during an assessment.
- Exchanging answers with others (either giving or receiving) unless directed by a teacher.
- Taking someone else's assignment and submitting it as your own.

## **STUDENT CONDUCT "ZERO TOLERANCE"**

Students are expected to conduct themselves in such a way that they respect and consider the rights of others. Students of the District must conform with school regulations and accept directions from authorized school personnel. The Board has "Zero Tolerance" of violent, disruptive, harassing, intimidating, bullying or any other inappropriate behavior by its students. A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school-related events is subject to approved student discipline regulations. The Superintendent/designee develops regulations that establish strategies ranging from prevention to intervention to address student's misbehavior, and provides continuing instruction in dating violence prevention in health education courses in grades 7 through 12.

Students and parents annually receive, at the beginning of the school year or upon entering enrolling in the District schools during the year, written information on the rules and regulations to which they are subject while in school or while participating in any school-related activity or event. The information includes the types of conduct which are subject to suspension or expulsion from school or other forms of disciplinary action. The Board directs the administration to make all students aware of the student code of conduct and the fact that any violations of the student code of conduct are punishable. The rules also apply to any form of student misconduct directed at a District official or employee or the property of a District official or employee, regardless of where the misconduct occurs. If a student violates this policy or the code of conduct, school personnel, students or parents should report the student to the appropriate principal. The administration cooperates in any prosecution pursuant to the criminal laws of the State of Ohio and local ordinances. A student may be expelled for up to one year if he/she commits an act that inflicts serious physical harm to persons or property if it was committed at school, on other school property or at a school activity, event or program. The Student Code of Conduct is made available to students and is posted in a central location within each building. The Superintendent has the authority to expel a student from school for a period not to exceed 80 days, unless it involves a firearm, knife, bomb threat, or serious offense that causes harm to a person or property. These offenses can result in an expulsion up to one year. If there are not enough days remaining in a school year, the expulsion can be extended into the new school year. Certain behaviors can result in the permanent exclusion of a student. The school district policy will be posted in each building.

## **PUBLIC CONDUCT ON DISTRICT PROPERTY**

All persons on district grounds are expected to abide by applicable laws, local ordinances, Board policies and building regulations. No person on District property may assault, strike, threaten, menace or use improper, indecent or obscene language toward a teacher, instructor, administrator, or other employees of the school or students.

All persons at extracurricular activities will be expected to abide by the rules and regulations of the Board, the school district in which the extracurricular activity is taking place and the Ohio High School Athletic Association. No person will disrupt or interfere with any extracurricular activity involving students from Harrison Hills City Schools whether at the District's facility or at another site at which the activity is taking place.

## **SEXTING**

The possessing, taking, disseminating, transferring or sharing of nude, obscene, pornographic, lewd or otherwise illegal images of photographs, whether by electronic data transfers otherwise (commonly called texting, emailing or sexting, etc.) may constitute a crime under state and/or federal law. Any person, possessing, taking, or disseminating or sharing nude, obscene, pornographic, lewd or otherwise illegal images or photographs may be punished under this code of conduct and may be reported to the appropriate law enforcement agencies.

## **HAZING AND BULLYING (HARRASSMENT, INTIMIDATION AND DATING VIOLENCE)**

Hazing means doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person.

**Throughout this policy the term bullying is used in place of harassment, intimidation and bullying.**

Bullying, Harassment and intimidation is an intentional written, verbal or physical act that a student has exhibited toward another particular student more than once. The intentional act also includes violence within a dating relationship. The behavior causes both mental or physical harm to the other students and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment of the other student. This behavior is prohibited on school property or at a school-sponsored activity.

The district includes, within the health curriculum, age-appropriate instruction in dating violence prevention education in grades 7 to 12. This instruction includes recognizing warning signs of dating violence and the characteristics of healthy relationships.

Prohibited activities of any type, including those activities engaged in via computer and/or electronic communication devices, are inconsistent with the educational process and are prohibited at all times. No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any hazing and/or bullying activities. No students, including leaders of student organizations, are permitted to plan, encourage or engage in any hazing and/or bullying.

Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances or events that might include hazing, bullying and/or dating violence. If any of the prohibited behaviors are planned or discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all such activities immediately. All hazing, bullying and/or dating violence incidents are reported immediately to the Superintendent/designee and appropriate discipline is administered.

The Superintendent/designee must provide the Board President with a semiannual written report of all verified incidents of hazing and/or bullying and post the report on the District's website. The administration provides training on the District's hazing and bullying policy to District employees and volunteers who have direct contact with students. Additional training is provided to elementary employees in violence and substance abuse prevention and positive youth development.

District employees, students and volunteers have qualified civil immunity for damages arising from reporting an incident of hazing and/or bullying. Administrators, teachers, other employees and students who fail to abide by this policy may be subject to disciplinary action and may be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with State and Federal law.

No one is permitted to retaliate against an employee or student because he/she files a grievance or assists or participates in an investigation, proceeding or hearing regarding the charge of hazing and/or bullying of an individual.

Hazing, bullying and/or dating violence can include many different behaviors. Examples of conduct that could constitute prohibited behaviors include, but are not limited to:

1. Physical violence and/or attacks;
2. Threats, taunts and intimidation through words and/or gestures;
3. Extortion, damage or stealing of money and/or possessions;
4. Exclusion from the peer group or spreading rumors;
5. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other web-based/online sites (also known as “cyber-bullying”), such as the following:
  - a. Posting slurs on web sites, social networking sites, blogs or personal journals;
  - b. Sending abusive or threatening e-mails, web-site postings or comments and instant messages;
  - c. Using camera phones to take embarrassing photographs or videos of students and/or distributing or posting the photos or videos online and
  - d. Using web sites, social networking sites, blogs or personal online journals, emails or instant messages to circulate gossip and rumors to other students.
6. Excluding others from an online group by falsely reporting them for inappropriate language to internet service providers.

## **WEAPONS ON SCHOOL PROPERTY**

The Harrison Hills City School District Board of Education is committed to providing the students of the District with an educational environment which is free from the dangers of firearms, knives and other dangerous weapons in the school.

Students are prohibited from bringing firearms or knives onto school property, in a school vehicle or to any school sponsored activity, or having such firearms or knives in his/her possession under the same circumstances. If a student brings a firearm or knife or has in his/her possession a firearm or knife on school property, the Superintendent shall expel the student from school for a period of (1) year. Any such expulsion shall extend, as necessary into the next school year following the school year in which the incident occurred. The Superintendent may reduce this requirement on a case-by-case basis in accordance with state law.

Students are prohibited from bringing onto school property or possessing at school, in school vehicles or at school sponsored activities, such devices that “look like” a gun or rifle, BB guns, or other items that are not included in the definitions of firearms. The District may suspend, expel or discipline students for such offenses. Students are also prohibited from bringing or possessing knives on school property, in school vehicle or to any school sponsored activity. A knife shall include, but is not limited to, straight razors, utility knives, box-cutters, ice picks, pocket knives, and switch blades.

A firearm shall include, but is not limited to, any weapon (including a starter gun) and destructive device such as a bomb, grenade, rocket having a propellant charge and/or a projectile, a mine, or device similar to the devices described in the preceding clauses.

The Board of Education may extend the right to expel for reasons beyond the possession of a firearm or knife. Students who possess or use other dangerous weapons, which are defined but not limited to metal knuckles, straight razors, throwing stars, explosives, noxious irritation or poisonous gases, poisons, drugs or other items possessed with the intent to use, sell, harm, threaten or harass students, staff members, parents or community members, may be subject to expulsion.

Matters which might lead to a reduction of the expulsion period include: an incident involving a disabled student and the incident is a manifestation of the disability, the age of the student and its relevance to the punishment,

the prior disciplinary history of the student; and/or the intent of the perpetrator.

The Superintendent is authorized to expel a student from school for a period not to exceed one year for making a bomb threat to a school building, or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this policy extends, as necessary, into the school year following the school year in which the incident occurs and the expulsion takes place.

## **INTERROGATIONS AND SEARCHES**

The Harrison Hills City School District has responsibility for the control and management of students during the school day and hours of approved extracurricular activities. While discharging its responsibility, the administration is to make an effort to protect each student's rights with respect to interrogations by law enforcement officials. The administration has developed regulations to be followed in the case of searches and interrogations.

Student lockers, chromebooks and desks are the property of the Harrison Hills City School District, and, since random searches have a positive impact on reducing drugs and other criminal activity, it is the policy of the Board of Education to permit the building administrator to search any locker and its contents as the administrator believes necessary.

## **STUDENT CONDUCT DEMERIT SYSTEM**

Harrison Central Jr./Sr. High School uses a demerit system as the basis for its disciplinary action and policy. It is impossible to list or categorize all types of disciplinary violations, thus the ADMINISTRATION RESERVES THE RIGHT OF DISCIPLINARY ASSIGNMENT AS THE CAUSE SO DETERMINES. *\*Any student removed from a class because of disciplinary problems will receive an "F" for the course.*

Throughout the demerit point system each student will be referred to the Department of Guidance in an attempt to find the cause of the behavior and to hopefully eradicate it so that he/she may benefit from the educational experiences and course offerings. Our counselor is always available to provide professional guidance and to offer assistance and understanding when necessary.

## **SATURDAY SCHOOL**

An alternative disciplinary measure for students who have violated rules that are only harmful to their own educational process. Students who receive Saturday School as punishment will be required to attend school on Saturday morning from 8:00 A.M. to 12:00 noon. Saturday School serves as an effective form of discipline while at the same time enabling students who have violated school policy to stay in the classroom and not miss classroom work. Students placed in Saturday school will be subject to the same rules, regulations and consequences that govern a regular school day. If a student violates these rules or fails to attend an assigned Saturday School, he or she will be subject to further disciplinary action.

### **SATURDAY SCHOOL GUIDELINES**

STUDENTS WILL BE ASSIGNED TO SATURDAY SCHOOL FOR VIOLATING THE STUDENT CODE OF CONDUCT.

1. The parent or guardian must provide transportation to and from Saturday School.
2. Saturday School will be held from 8:00 A.M. until 12:00 noon at Harrison Central Jr./Sr. High School.
3. Students will enter and exit the building at the front entrance only. All students will be admitted to the building between 7:45 - 7:55 A.M. The front door will be locked at 8:00 A.M.
4. If a student cannot attend Saturday School because of an emergency, the parent or guardian must call Harrison Central Jr./Sr. High School by 7:55 A.M. If the student is absent and the parent or guardian does not call to excuse the student, the student must report to the Principal's office at the beginning of homeroom on the following Monday morning with a written statement from the parent or guardian explaining the emergency which prevented the student from attending.
5. Students will receive a five minute break at 10:00 A.M. Students may use the restroom during the break time. No student will be permitted beyond the main floor or beyond the restroom. Students will not be permitted to go outside during the break.

## **IN-SCHOOL RESTRICTION**

In-School Restriction (ISR) has been instituted as an alternative to out-of-school suspension for Harrison Central Jr./Sr. High School. Assignment of ISR will be at the discretion of the building administrators for such violations that would constitute an out-of-school suspension. There are some instances where out-of-school suspension would still be used. The guidelines of ISR are listed below:

1. Upon assignment of ISR, the administrator will send a form to each of the student's teachers regarding assignments for the day(s) in which the restriction is assigned. It is the responsibility of the classroom teachers to put the assignments in the ISR mailbox in the office prior to the morning of the student's restriction. The ISR teacher will retrieve the assignments from the office each morning.
2. Upon completion of the assignments, the ISR teacher will place the completed assignments in the classroom teacher's mailbox in the office.
3. Full credit will be given for all assignments that are completed in the ISR room.
4. There will be no eating, drinking, sleeping, talking, daydreaming, disruptions, or lack of cooperation while in the ISR room. Students will work on school work that has been assigned by his/her teachers. If all work is finished by the end of the day, supplemental materials will be provided by the ISR teacher.
5. Students will report to the office each morning after they have retrieved all of their books from their locker. The ISR teacher will escort the students to the ISR room.
6. ISR students will eat lunch with the ISR teacher.
7. No student is permitted to leave the room unless permission is granted by the building administration.
8. If any other infractions occur during the ISR dates, including bus incidents, the student will receive additional days in ISR.
9. Students must be in attendance when assigned to ISR.

## **OUT OF SCHOOL SUSPENSION**

A disciplinary measure for a student action that is of serious nature beyond the level of In School Restriction that warrants out of school suspension. All suspended days are unexcused absences. Suspended students are not to take part in or attend any school activity, game or other functions during suspension.

## **EXPULSION**

A disciplinary measure for a student action that is of a serious nature beyond the level of out of school suspension. An expulsion can last for an extended amount of time and is determined by the Superintendent.

## **ALTERNATIVE SCHOOL**

The Harrison County Alternative School was enhanced through the efforts of the Harrison County Juvenile Court to provide a structured educational opportunity for those students unable to adjust to alternative pro-

grams available in school and for those students whose behavior has resulted in continued suspensions or expulsions from their school. It is the Alternative School's mission and purpose to provide each student with a safe learning environment to develop their self-esteem so that they may move on academically and socially.

# SECTION 3: GENERAL SCHOOL OPERATION

## GUIDANCE

If a student is having a problem and he/she would like to discuss it with someone, a Guidance Counselor is available. To set up a conference, the student should inform his/her teacher that he/she would like to meet with the Counselor for an appointment or a conference.

## SCHEDULE CHANGES

Random and arbitrary schedule changes will not be permitted. Adjustments to a schedule due to conflicts, failures, class close outs or human error will be made during the first 5 days of each semester by the counselor and/or the administration.

## STUDY HALLS/SEMINAR/INTERVENTION TIME

Study halls and seminars are provided for students to study in a quiet atmosphere. Educational materials must be brought to every scheduled study hall period. Students will be permitted to receive intervention during their study hall or seminar period.

## GRADING SYSTEM/STUDENT PROGRESS REPORTS TO PARENTS

In grades 7 to 12, the six scholarship marks in each subject are cumulative for the year and are averaged for the final mark that determines whether credit has been earned. Each of the four (4) nine week periods is equal to 1/5 of the final grade while both semester tests (the major test at the conclusion of each 18 week period) are equal to 1/5 of the final grade. (Each semester test would be weighed 1/2 of a nine weeks grade).

Grade	Point Value	Starting Percentage	Ending Percentage	Starting Point	Ending Point	Semester Test Point Values
A	4.0	95	100	3.710	4.000	2.00
A-	3.7	90	94.99	3.510	3.709	1.85
B+	3.4	87	89.99	3.300	3.509	1.70
B	3.0	83	86.99	2.710	3.299	1.50
B-	2.7	80	82.99	2.510	2.709	1.35
C+	2.4	77	79.99	2.300	2.509	1.20
C	2.0	73	76.99	1.710	2.299	1.00
C-	1.7	70	72.99	1.510	1.709	0.85
D+	1.4	67	69.99	1.300	1.509	0.70
D	1.0	63	66.99	0.710	1.299	0.50
D-	0.7	60	62.99	0.700	0.709	0.35
F	0.0	0	59.99	0.000	0.699	0.00

Students must have a D- average to pass for the year.

Also providing that:

- the student has earned enough quality points (3.5) to pass the course for the year.
- the student has achieved a passing grade in a semester course by passing one of the three marking periods or by earning 1.75 quality points.
- the student has completed all required assignments including tests, quiz(es), reports, term papers, class projects, etc. If a student fails to make up the required work he/she will be given an "I" (incomplete) rather than an "F" and may not receive credit for that course.

Incompletes can be removed only when a student completes all required work. Making up incompletes is the responsibility of the student and is to be done at the convenience of the classroom teacher. Unless there are extenuating circumstances causing the teacher or principal to extend the time period, the work must be completed no more than ten (10) days after each nine (9) weeks' grading period ends. An exception will occur in the last (fourth) nine weeks' grading period whereby, any incomplete received for the final grading period of the school year must be made up no later than the end of the teachers' work day (at the conclusion of the school year). Failure to make up incomplete course work within these time constraints may result in denial of credit for the course(s) in which a student has an incomplete.

Grades are a means of communicating degrees of success or failure to parents and students on actual academic achievement. Grades should be determined by having sufficient evidence from homework assignments, classroom participation, projects, reports, quizzes and tests to base the grade upon--a minimum of 15 items (grades) per nine week grading period for grades for 7-12. There will be a place on the report card to write encouraging or critical notes, but the grade is to reflect the progress of the student's performance. The Board of Education recognizes that any grading system, however effective, is subjective in nature. Therefore, fundamental principles must guide all instructors in assigning marks of achievement:

1. The achievement mark in any subject should represent the most scientific estimate by the teacher of the subject. Great care, understanding and empathy must be employed at all times in fairness to the student. A variety of evaluation measures will be used and accurate records shall be kept to substantiate the grade given.
2. Each individual must be given every consideration. An individual should not receive a failing grade unless he/she cannot meet stated minimum requirements.
3. Poor or failing grades should trigger a variety of instructional and intervention activities to assist the student in achieving better grades.
4. Grades are never to be considered the goals of learning; they are merely the symbols which evidence the extent of learning. Grades are a consequence of learning and not the purpose for learning. Grades are to:
  - a. Inform students as to their scholastic progress
  - b. Acquaint parents with the achievement of their child(ren)
  - c. Enable teachers to evaluate instruction and guidance technique
  - d. Provide administrators, consultants, and counselors with adequate and accurate records of a student's progress and achievement.

- If a student fails to fulfill this requirement, he/she becomes ineligible beginning the 5th day following the end of the grading period. This is the minimum requirement of the Ohio High School Athletic Association. However, each student has the opportunity to make up an incomplete (10 school days after the preceding grading period). This will be determined by the guidance counselor, athletic director, then building principal.
- A 9th grade student enrolled in the first grading period after promotion from 8th grade must have passed the equivalent of 5 subjects in which they were enrolled. Any student who received a failing grade for any class the previous grading period may be eligible to participate in interscholastic extracurricular activities provided he/she meets the requirements noted above.

- The eligibility or ineligibility of a student continues until the start of the fifth day of the next grading period, at which time the grades from the immediately preceding grading period become effective. EXCEPTION—eligibility or ineligibility for the first grading period commences with the start of the fall sports season.
