Progress/Core Meeting Agenda

The meeting was turned over to Ivan and Joe Swantek who went down through the agenda. They reported everything was on target and/or completed and submitted.

The new business before the group was SHP and Hammond needed input on interior finishes and colors. The majority of this had been done at a previous committee meeting. Today the committee was looking at the finish to the floor of the Health Fitness room. In addition, SHP had a virtual tour with the other colors and finishes shown throughout the building. The committee asked SHP if they could provide drawings of the Health Fitness Room with 3 different suggestions and they said they would. As the committee viewed the building, via the virtual tour, the committee asked that only the school's royal blue color be used with no other lighter blue as an accent color.

Discussion was held concerning the need for 2 meetings in April. The 13th would be the Progress/Core Meeting and another to include Dynamics and emergency response personnel.

Mr. Allen had to leave 15 minutes prior to the meeting adjourning.

Mr. Madzia made the motion, seconded by Mr. Watson, that the meeting be adjourned. On roll call vote: Mrs. Mattern, yes; Mr. Allen, absent; Mr. Madzia, yes; Mr. Watson, yes; Mrs. Kenny, yes. The president declared the meeting adjourned.
